

## Mahanoy Area High School School Improvement Plan

2012-2013

Based on our 2011-2012 PSSA Test Scores Mahanoy Area did not meet or exceed the Adequate Yearly Progress Target

The following is being done to meet or exceed the Adequate Yearly Progress Target:

1. Mahanoy Area High School has made every effort to improve our student's academic ability in all subject areas.
2. Mahanoy Area High School students have been participating in classroom diagnostic tests pinpointing areas of strength and weakness in Algebra 1, Literature, and Biology.
3. Established remediation plans have been adopted to help the struggling student achieve a proficient level in their studies.
4. Parental contact is a main focus in improving student achievement. Our school contacts parents on a weekly basis, accommodates parent teacher conferences, and establishes an interactive website and grade book system.
5. Mahanoy Area High School has incorporated a peer tutoring program to increase student involvement and assistance in all academic areas.
6. Mahanoy Area has established many committees to combat student issues. Some of the following include: Student Assistance Program, Anti-bullying Team, School Dropout Prevention Team.
7. Mahanoy Area has developed a data team to analyze information and use their findings to establish accuracy and efficiency in teaching practices.
