Dear Parent/Guardian:

The federal legislation known as the "No Child Left Behind Act" (NCLB) was signed into law in January 2002. This law requires schools that receive Title I funding to inform parents of their right to know the following information about each of their child's classroom teachers:

- Whether the State has qualified or licensed the teacher for the grades and subjects he or she teaches.
- Whether he or she is teaching under an emergency permit or other provisional status through which the licensing criteria have been waived.
- The teacher's college major, whether the teacher has any advanced degrees, and, if so, the subject of the degrees.
- Whether any instructional aides or similar para professionals provide services to your child, and if they do, their qualifications.

If you would like to receive specific information about your child's teacher or para professional, please contact Mrs. Susan Scheeler, Elementary Principal; Mr. Michael Heater, Middle School Principal; or Mr. Thomas Smith, High School Principal at 570-773-3443. For general information about the Title I program, please contact Mrs. Lisa Broomell at 773-3443, extension 4045. Our district is committed to the instructional success of your child. Your partnership in this effort is appreciated.

Sincerely,

Joie L. Green, Ed.D.  
Superintendent of Schools
